3 + 1 half steel wire shelf

Triple glazed door

LED interior lighting + Backlit door adjustable in intensity and colors

EAN : 3541362410238

## Product description

Ensure perfect storage of your beers thanks to the BEER150 beer cellar, specially designed to meet the requirements of professionals.

- From -6°C to +18°C to suit all types of beers, whether chilling, preserving or icing.
- Rapid cooling: ideal for intensive use, the negative temperature function allows you to quickly cool a large quantity of beers.
- Vertical storage: avoids contact of the liquid with the capsule, thus maintaining the pressure and limiting the risk of leakage.
- Triple-glazed door with heating function: offers anti-UV protection to prevent premature aging and taste deterioration, while reducing energy consumption.
- Adjustable multi-colored LED lighting: personalize the presentation of your beers by playing with colors and intensity to highlight your selection.
- Capacity 33cl cans : 153 cans / Bottles 50cl : 65 Bottles / Bottles 75cl : 30 Bottles

#### BACKLIT DOOR

Create your lighting atmosphere (intensity/colors)

#### HEATED TRIPLE GLAZING

Prevents fogging on the door

#### CUSTOMIZABLE LIGHTING

Customize the lighting (Amber-White-Blue) and its intensity

#### NEGATIVE TEMPERATURE

Allows you to quickly chill or chill/frost beer

# BEER150

EAN-13 - 3541362410238

## PRODUCT INFORMATION

Refrigerator Cooling Type: Static  
Defrost: Automatic  
Defrost Drain: Yes  
Water Dispenser: No  
Ice Dispenser: No

## TECHNICAL DATAS

Energy Class: C  
Annual Energy Consumption: 362 kWh/year  
Noise Level: 39 dB / C  
Climate Class: 7 (35°C - 75%)  
Adjustable Feet: 4 / 0.3 cm  
Gas Type: R600a / 34 g  
Voltage: 220-240 V  
Frequency: 50 Hz  
Electrical Current: 1 A  
Power: 60.00 W  
Plug Type: E Type  
Power Cord Length: 220 cm

## ACCESSORIES

3 wire shelves  
1 half wire shelf  
1 remote control (door lighting)

## DOOR

Number of doors: 1  
Door type: Glass  
Type of glass: triple glazing  
Reversible door: No  
Automatic door return: No  
Handle type: Integrated

## LIGHT

Light Source: LED  
Light Color(s): White, Blue, Amber  
Light Switch: Yes

## TEMPERATURE CONTROL

Thermostat Type: Electronic  
Temperature Range: -6°C to 18°C  
Thermometer: Yes  
Fast Cooling Function: Yes  
Compressor On Indicator Light: No  
Power On Indicator Light: No

## LOGISTICS INFORMATION
